Proposed Wesley’s Chapel visit

Tony has kindly organised a trip to Wesley’s Chapel which will take place next Wednesday, 3rd July 2024, with those attending asked to arrive by 1.50pm, please. Although numbers for this have already been submitted, this is flexible, so if you would like to join the group, please let Eileen know or just turn up on the day.

We thoroughly enjoyed our [90th Church Anniversary service on 9th June, led by](#) Rev Canon Dr Jennifer Smith, of Wesley’s Chapel who wove into her service some personal reminiscences. The meal following the service included a delicious array of food, including a donated gateau and small cakes iced by Discoverers. A selection of archive materials was put on display, reviving memories for some, and the embroidered tablecloth – the 2nd of such - this one started during the church’s Golden Anniversary - was once again available for folk to add their signatures. It’s planned to make the cloth a regular feature of future events.

We give thanks, as always to all those who make such events possible – for the liaison with preachers, for the very capable AV team, for those who deal with the catering or help set up and put away, to name but some of the roles...there are many in our little team who regularly play their part, for which we are truly grateful.

CHURCH OUTING

A pop-up event! Would you like to visit [Iver Flowerland](#) for a stroll around the garden centre and lunch (or just a cuppa, as you wish) in the company of some church friends? Eileen and Len will be heading an outing on [Weds, 17th July 2024](#). Lifts from church can be arranged for those requiring them (provided we have enough drivers for those needing lifts!). It’s anticipated leaving RMMC at [10.30am](#), [returning by 2pm-ish](#). Stroll around the garden centre, at your leisure, enjoy refreshments in the cafeteria (which does hot meals as well as pastries etc) and return trip to church, after you’ve eaten, by 2pm-ish (or earlier if required). Please let Eileen know (via enquiries@rmmc.org.uk or by signing up on the list in the church vestibule).

Dementia Awareness

One in three of people in the UK will go on to develop dementia in their lifetime, and there will be one million people living with dementia by 2025, making dementia care one of the greatest challenges facing our society. **Home Instead Ruislip & Harrow** have released a leaflet, which you can [view here as a PDF](#), which describes six scenarios that may indicate someone has or is developing dementia. It's important to look out for these signs and give our loved ones the care and attention they need.
